

## Project Good Oral Health Authorization for Release of Information

**Information about the Research Study.** Good Oral Health - A Bi-level Intervention to Improve Older Adult Oral Health (Project Good Oral Health) is a collaboration between the University of Connecticut Dental School and the Institute for Community Research. The purpose of the study is to understand oral health beliefs and behaviors of older adults and to help them improve their oral health.

**Principal Investigators:** Susan Reisine, Ph.D. and Jean Schensul, Ph.D.

**IRB #**14-188-6

I (please print) \_\_\_\_\_

Authorize (name of my dentist/physician) \_\_\_\_\_

To discuss my medical history and dental history with Dr. \_\_\_\_\_  
from Project Good Oral Health to determine if I am eligible to participate in the study.

I may revoke this authorization in writing at any time, except for the information which has already been released in accordance with this authorization prior to my revocation.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Witness: \_\_\_\_\_ Date: \_\_\_\_\_

If you have questions about the research, please contact the Principal Investigators Dr. Susan Reisine at 860-679-3823 or Dr. Jean Schensul at ICR, 860-278-2044, ext 227. If you have questions about the oral health clinical assessment, please contact Dr. Ruth Goldblatt, D.M.D. at 860-679-4829 or Dr. Joanna Douglass, D.D.S. at 860-712-7311.
